Video Script

POWER PROMPT

AI generate a script for a [length] [format] video about [topic] for [target audience] in a [tone of voice] tone. Include

Power Prompt Essential Details:

AI Voice Master List:

HOT TIP #1: Once the AI has generated output, inform it of what you like and don't like, and request additional results, edits, or tweaks.

HOT TIP #2: If you want to guarantee that your input is even more thorough, before you officially enter your prompt, try typing this in first:
